Managing Director

Eng. Abdulelah Al Jneibi

Since 2009, Al Rahbah Construction has grown from small building contractor to a big market player in infrastructure and landscaping projects contracting, completed remarkable projects with prestigious clients, mainly government department. Al Rahbah Construction has been retaining important Clients like Awqaf, ADCB, ADCE, MUSANDA, Abu Dhabi Municipality and Department of Presidential Affairs for the last 8 years. Repeated business from them is clear credentials of the degree of satisfaction in term of quality, delivery time and overall services provided to them. Our best asset has been and always will be our team; Al Rahbah has currently the experience and most motivated workforce of around 93 personnel. Al Rahbah Construction has always strived to be ahead of the curve by anticipating the market's needs and will continue to do so by working closely with clients as well as government authorities. Al Rahbah Construction is dedicated to implement best practices and latest technology to unitize performance, provide better service, and insure safe and healthy living environment for its employees and the society. I welcome you all to the world of Quality Projects.

LOOKING AHEAD IS OUR SUCCESS

OUR VISION

To be one of the leading construction company in the uae. We aim to continually implement and maintain the highest quality level of services, integrity, dependability and efficiency for our valued customers.

OUR APPROACH & PHILOSOPHY

To excel in the construction industry by delivering successful projects undertight schedules, safe environment and quality management in accordance with international standards achieved by a continuously trained, highly motivated and qualified work force to establish long-term and positive relationships with our clients, suppliers and subcontractors through professionalism integrity and honesty to become a reliable and successfull partner expanding the spectrum and magnitude of our business activities in pace with the growth of the industry.

ALRAHBAH CONSTRUCTION SOLE PROPRIETORSHIP L.L.C.

is committed in partnership with its employees, vendors and customers to deliver its business activities and services building Contracting, Infrastructure, Landscaping and Irrigation, whilst maintaining a proactive integration of Quality, Health, Safety and Environmental (QHSE) deliverables as paramount objectives and targets at all levels of the organization with an aim not to meet but exceed customers’ expectations in all its operational and contractual obligations.

Comply with the requirements of the QHSE Management System and to continually improve its effectiveness through internal external audits, customer’s feedback, supplier’s evaluations, data analysis and periodic reviews. Comply with the relevant QHSE contractual requirements and customer’s needs as well as all applicable legal requirements. Continually improve its policies, processes and procedures by setting demanding objectives that underpin its commitment to QHSE in all its business transactions. Identify, control and eliminate HSE risks and hazards associated with its business, products and services. Prevent injury, ill health and pollution to continually improve its environmental performance by implementing proven technologies that are economically sound.

ALRAHBAH CONSTRUCTION SOLE PROPRIETORSHIP L.L.C. is dedicated to establish, maintain and continually improve an effective and efficient QHSE Management System in compliance with **ISO 9001: 2015, ISO 14001: 2015 and OHSAS 18001: 2007** requirements as well as in accordance with all relevant regulations and standards in a controlled and sustainable manner. Al Rahbah Construction is committed to:

QUALITY, HEALTH, SAFETY & ENVIRONMENTAL POLICY

Quality

Health

Safety

Enveronment

9001:2015

14001:2015

Ensure its personnel are competent to fulfill their duties and provide awareness and training to impart an understanding of customer satisfaction, health & safety and protection of the environment. This policy shall be communicated and be available to all the concerned parties as appropriate and shall be consistently implemented on all Projects. This policy shall be reviewed periodically for ongoing applicability, effectiveness and suitability as part of the management review process.

STEEL DIVISION

We specialize in Pre Engineered & Hot Rolled steel construction, from design to build to turn key projects provider. We aim to make each customer a life-long client by adding value to the construction process. Superior quality, attention to detail, safety, environmental awareness and a partnering approach define our blueprint for every project.

**ALRAHBAH CONSTRUCTION
SOLE PROPRIETORSHIP
L.L.C.**

Steel Division, we provide our clients with complete designs, engineering and material supply resources that are vertically integrated with engineering solutions to optimize their operation by lowering their costs and reducing their time to market.
